letter *from the* principal

To the Class of 2016,

It is with great pleasure and pride to be able to write a message to you in your yearbook. I feel fortunate to be the principal of Mansfield High School and to be a part of your academic and personal growth. I remember challenging all of the members of the Class of 2016 on the opening day of school to set a positive example in the classroom, the hallways and in your extracurricular activities. You exceeded my call to be role models for the underclassmen, as well as respectful ambassadors of our school community. Your work was exceptional. You have donated many hours of volunteer work to countless number of charities. You have added to the successful legacy of our academic, athletic and arts programs.

Congratulations to the Class of 2016. On behalf of the faculty and staff we thank you for your achievements and contributions. We are proud of you and wish you success and happiness as you move forward with your post high school plans. Upon your graduation you will become a member of the MHS alumni. We hope that you are proud of this and look back upon your time as positive and enriching. I urge all of you to stay in touch and to stay connected to the community that helped to foster your development over the past thirteen years.

Respectfully,

Michael T. Connolly

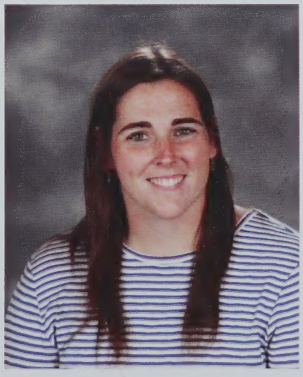
the class of 2016

would like to thank the advisers,

mrs. chadwick and ms. crook,

for all of their time and work which has made the past four years the best of our lives.

Their dedication to the students of our class truly was an integral part of our success. From events such as our beloved Homecoming Pep Rally, our Junior-Senior Casino themed Prom, the All Night Party, Boat Cruise, and countless other fundraisers and events, Mrs. Chadwick and Ms. Crook were always the conductors working behind the scenes in order to make sure we were having an enjoyable high school experience. The amount of time and effort that they put in every day has been what has made our class run smoothly over the past four years.



Their commitment and perseverance has inspired us to go out and achieve our goals. Because of them, we are able to leave a legacy in Mansfield High School that will not soon be forgotten. Not only are they our advisers, they are our fearless leaders, our caretakers, and most importantly our friends.

Thank you.

You are at the MHS homecoming events. The homecoming celebration kicked off with Spirit Week, during which students and staff displayed their school pride. The fun continued with Thursday's pep rally; classes competed in a fast-paced relay race, followed by the annual tug-of-war, where seniors were victorious over the teacher team. To conclude the rally, the homecoming court was announced.

The homecoming game was equally spirited, where even a weather cancellation couldn't stop the team from pulling out a win. Mansfield played against the Taunton Tigers, and due to their great offense and strong defense, won 32-14.

The MHS Select Choir entered the WGBH singing competition "Sing That Thing" this year with over 90 other choirs. Making the cut to 24, they then went on to the next round with just one other high school group, while the other groups in the college and adult levels competed against each other. The Select Choir went on to win the high school division and was crowned the best high school choir in New England! In the finale, they were up against the winning adult and college groups.

The High School Quiz Show Team is the school's quiz bowl team competing in trivia competitions across the state. This year, they went to compete in the qualifying competition hosted by WGBH's High School Quiz Show. The team also went to smaller events in high schools across Massachusetts, including the History Bowl competition at Hingham High School and other trivia competitions at Brookline High School and Advanced Math and Science Academy. The team hosts practice rounds to prepare for their competitions.

teacher jeopardy

You are at Teacher Jeopardy. Seniors Ellen Goulding, Zack Porat, Nick Sardella and Mike Kirejczyk created MHS's first game of Teacher Jeopardy for their NHS Independent Service Project. Teachers formed three teams: Team Night-Hawk, Team CB-Radio and Team Bowl of Rice, to compete against each other and raise money for a charity of their choice. Almost $400 was raised and the winning team, Bowl of Rice, chose Charity:Water as their recipient.

You are junior.

You are 3/4 done with your high school career. You're now the "kings and queens" of MHS. You are no longer the second oldest, but the oldest.

This year you put in the most work you could to achieve those grades you wanted. Now you'll be able to roll out of bed ten minutes before the bell rings because you will have the senior lot. Good luck in your senior year!

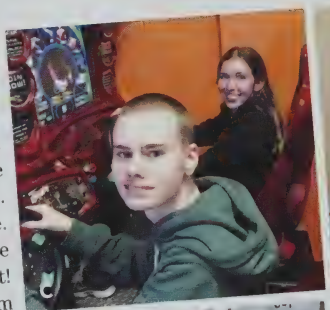
H. Mr. Martin and Tom



and *next* step

You are in the gym, playing soccer, handball, or capture the flag. In the class Project Teammate, special education students are paired with a junior or senior for one trimester; each day, students and their "teammates" complete jobs around the school and play together in the gym. This course not only develops life-long physical, vocational, and social skills, but also a lasting friendship between partners.

When not in Project Teammate, students with disabilities that have since graduated from Grade 12 are enrolled in the Next Step Program. In this class, students are coached to be more independent, in addition to practicing community awareness through an internship program; among this year's businesses where Next Step students volunteered were Grogan's and Bead Cache.

Regardless of whether or not you work with the Project Teammate or Next Step students directly, one thing is for certain: they make MHS all the more brighter.

You are in the

marching band

You are in the MHS Marching Band and Color Guard, practicing after school for competition and playing and performing at home games. The school's marching band consists of the same students who participate in concert band, meeting weekly to rehearse their song selections. They not only played at numerous football games, but also competed in two competitions held by the New England Scholastic Band Association against various other schools, taking home at first a silver and then a gold in the NESBA finals.

The MHS Color Guard had equally successful of a season, ranking fourth place in all of New England as of March. The varsity and JV teams, made up of students from both MHS and QMS, practice three times a week in preparation for their competitions on the weekends, including the World Championships held in Ohio each spring. Though they were up against strong teams, the guard, led by four dedicated seniors, are proud to say they are a nationally ranked group.

percussion

You are in Percussion Ensemble, a highly competitive musical group that rehearses three times a week. This group of 21 MHS students is comprised of mallet, electronic, and other forms of percussive instruments. When rehearsals began in June 2015, there was a lot of work on technique to help the musicians refine their craft and understand their instruments. In addition to musical skills, performers also learn about the importance of time management, dedication, patience, and professionalism. Beginning in late February, the ensemble begins their New England competition circuit and performs every weekend until April vacation, when they travel to Dayton, OH for the Winter Guard International World Championships. MHS is the reigning world champion of their performance class.

This year, the drama department chose Neil Simon's "Proposals" as their fall play. Set in the 1950s, the show revolves around the Hines family and their former romantic relationships: an ex-wife, an ex-husband, and a former fiance. The show had a successful two night run, to the excitement of the director, Mrs. Newton, and the students involved.

In February and March, MHS traveled to the METG One-Act Play Festival competition. Completely student-run, this year's entry was "The Scheme of the Driftless Shifter," a show about a play with every mistake imaginable. It was directed by Peter Davis and Bella Cavicchi.

cabaret

You are in Cabaret, practicing songs in class, approving your blocking with Mrs. Newton, and running through music with Mrs. Kelley. The 12th annual Cabaret show was a rousing success, with both nights widely attended by family, friends, peers, and teachers. A range of musical selections were performed, including songs from Broadway classics (Man of La Mancha, South Pacific) and new hits (Hamilton, Waitress).

The After School Choir, Concert Choir, and Select Choir all perform together in the Cabaret show and holiday concert each year.

When not preparing for Cabaret, the three choirs of MHS - After School, Concert, and Select - were still hard at work. As is tradition, they sung at December's holiday concerts for elementary school classes, family members, and the high school student body. The Select C hoir, a class that requires all students to audition before admittance, also entered and advanced in WGBH's Sing That Thing competition.

~ CONNOR ~

We are so proud of how you have embraced your individuality and created dreams from your own unique talents. You have an outstanding work ethic, incredible strength of character, and an endearing love for your family and loyalty to your friends that we all admire. You have already set and reached goals that most could only dream of - and have proved you can do ANYTHING you imagine! May you continue to live your passions, hug freely and always be the happiest & kindest person we know. We all believe in you - and can't wait to see how many more dreams you will make come true!

We love you, little buddy!!
